

SWDCMA
Sewer Certification Process
Effective March 1, 2017

Prior to the sale or refinancing of a property, a sewer certification must be requested from SWDCMA.

The fee for the sewer certification is required in advance and is as follows:

- \$25.00 for certifications required within 5 days
- \$10.00 for certifications required after 5 days

On your company letterhead, please fax in your request for a sewer certification to:

610-494-7659

The following information is **required** to receive a sewer certification:

- Property address
- Seller's Name
- Buyer's Name
- Date of Settlement/Closing
- Requestor's Name
- Requestor's Agency/Company Name
- Requestor's Contact Information (email or fax)

If you are unable to provide all of the information above, you may provide the following to receive a sewer certification:

- Title Report

Failure to provide all of the required information listed above will result in your request being put on hold until the information is received.
